NEWFOUND AREA BICENTENNIAL COMMITTEE

The Newfound Area Bicentennial Committee has held a meeting each month since May 7, 1975. The members from each of the 6 towns, namely Groton, Hebron, Bridgewater, Alexandria, Danbury, and Bristol have explored and discussed many ideas and projects.

As a common effort we have compiled an illustrated calendar which will contain the dates of all Bicentennial events in the area. This calendar is already at the printers.

We have also contracted to have four signs painted to welcome summer visitors to our region.

Each town has committees working on its own celebration. Individuals and groups have been researching Revolutionary War Heroes, locating historic spots, and digging into historic events. One week during the summer has been allotted to each town for these events. The dates will be found on the calendar.

Alexandria has already started its activities. On January 1 a flag raising and presentation took place on the town common with the school children, Fife and Drum, Selectmen and others taking part.

Bristol will have a Bicentennial event each month beginning with a Colonial Ball on March 27 and ending with a Harvest Dinner in November. Bristol's prime events will take place during the period of July 3-12. Plans for a real old fashioned Fourth are in the making. A bigger and better parade on the Bicentennial theme is planned for August 7.

A cordial invitation is extended to all to attend the monthly meetings. We welcome ideas and participation.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.
